INFORMATION TO PARENTS

Department of Children and Families Office of Licensing INFORMATION TO PARENTS Under provisions of the Manual of Requirements for Child Care Centers (N.J.A.C. 10:122), every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). In keeping with this requirement, the center must secure every parent's signature attesting to his/her receipt of the information.

Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may secure a copy of the Manual of Requirements by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJ Department of Children and Families, Office of Licensing, Publication Fees, PO Box 657, Trenton, NJ 08646-0657.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1 (877) 667-9845. Of course, we would appreciate your bringing these concerns to our attention too.

Our center must have a policy concerning the release of children to parents or people authorized by parents to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center.

Parents are entitled to review the center's copy of the Office of Licensing's Inspection/Violation Reports on the center, which are issued after every State licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the Office's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review.

Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Our center must post a listing or diagram of those rooms and areas approved by the Office for the children's use. Please talk to us if you have any questions about the center's space. Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents. Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Our center is required to comply with the New Jersey Law Against Discrimination (LAD), P.L. 1945, c. 169 (N.J.S.A. 10:5-1 et seq.), and the Americans with Disabilities Act (ADA), P.L. 101-336 (42 U.S.C. 12101 et seq.). Anyone who believes the center is not in compliance with these laws may contact the Division on Civil Rights in the New Jersey Department of Law and Public Safety for information about filing an LAD claim at (609) 292-4605 (TTY users may dial 711 to reach the New Jersey Relay Operator and ask for (609) 292-7701), or may contact the United States Department of Justice for information about filing an ADA claim at (800) 514-0301 (voice) or (800) 514-0383 (TTY). Our center is required to periodically review the Department of Law and Public Safety (DLPS), Division of Consumer Affairs (DCA), unsafe children's products list, make the list accessible to staff and parents, and ensure that items on the list are not at the center. The list is available at www.state.nj.us/lps/ca/recall/recalls.htm. Internet access may be available at your local library. For more information call the DLPS, DCA, toll-free at 1(800) 242-5846. Anyone who has reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect, or exploitation by any adult, whether working at the center or not, is required by State law to report the concern immediately to the State Child Abuse Hotline, toll free at 1 (877) NJ ABUSE. Such reports may be made anonymously. Parents may secure information about child abuse and neglect by contacting: DCF, Office of Communications and Legislation at (609) 292-0422 or go to www.nj.gov/dcf and select Publications. POLICY ON THE RELEASE OF CHILDREN

A. Each child may be released only to the child's custodial parent(s) or person(s) authorized by the custodial parent(s) to take the child from the Boys & Girls Club of Hawthorne and to assume responsibility for the child in an emergency if the custodial parent(s) cannot be reached. An authorized person must be 18 years of age or older. Presentation of valid photo identification will be required of all designated contacts authorized to pick up. Parents are responsible for immediately informing the Boys & Girls Club of Hawthorne of any changes in emergency contacts or telephone numbers of contacts.

It is a policy of the Boys & Girls Club of Hawthorne that a child shall not be visited by or released to a non-custodial parent unless the custodial parent specifically authorizes the center to allow such visits or release in writing. This written authorization, including name, address and telephone number shall be maintained on file at the Boys & Girls Club.

If a non-custodial parent has been denied access to a child by a court order, the center shall secure documentation to that effect and maintain a copy on file.

B. Written procedures to be followed by staff member(s) if the parent(s) or person(s) authorized by the parent(s) as specified in (A) above, fails to pick up a child at the time of the center's daily closing are as follows:

1. The child is supervised at all times.
2. Staff members attempt to contact the parent(s) or person(s) authorized by the parent(s).
3. An hour or more after closing time and provided that other arrangements for releasing the child to his/her parent(s) have failed and the staff member(s) cannot continue to supervise the child at the center, the staff member shall call the Division's 24 hour Child Abuse Hotline (1-800-792-8610) to seek assistance in caring for the child until the parent(s) or person(s) authorized by the child's parent(s) is able to pick up the child.

C. Written procedures to be followed by staff member(s) if the parent(s) or person(s) authorized by the person(s) appear to be physically and/or emotionally impaired to the extent that, in the judgment of the director and/or staff member, the child would be placed at risk of harm if released to that individual, the following procedure will be followed:

1. The child may not be released to an impaired individual.
2. Staff member(s) will attempt to contact the child's other parent or an alternative person(s) authorized by the parent(s).
3. If the center is unable to make alternative arrangements, as noted in (A) above, a staff member shall call the Division's 24-hour Child Abuse Hotline

(1-800-792-8610) to seek assistance in caring for the child.

SUSPENSION POLICY

Unfortunately, there are circumstances that arise on occasion, that require a child to be removed from our program. A child can be suspended either on a short term basis or permanently. It is extremely important to understand that our staff will work with the family of the child/children involved in order to prevent this policy from being enforced.

The following are circumstances that would require a child to be suspended from the program or permanently removed:

Parental Actions for Child's Expulsion

- ! Failure of parent to pay/habitual lateness in payments.
- ! Failure to complete required forms or providing copy of child's immunization records.
- ! Habitual tardiness when picking up child/children
- ! Physical or verbal abuse to staff
- ! Other (explanation required).

Child's Actions for Expulsion

- ! Failure of a child to adjust after a reasonable amount of time.
- ! Failure of child to respond to corrective action regarding tantrums/angry outbursts/swearing or any other inappropriate behavior.
- ! Ongoing verbal abuse to staff or other children after receiving warning regarding such behavior.
- ! Fighting and/or hitting.
- ! Bullying
- ! Other (explanation required).

Suspensions will be deemed appropriate and decided by Summer Camp Directors and Chief Executive Officer.

If the actions above have not proven effective, the child's parent/guardian will be notified verbally and in writing regarding the child's behavior(s) or the parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time when the parent/guardian may work on the child's behavior or to come to an agreement with the child care center.

POLICY ON THE MANAGEMENT OF COMMUNICABLE DISEASES

If a child exhibits any of the following symptoms, he/she should not attend the Boys & Girls Club. If such symptoms occur, the child will be removed from the program, and you will be called to take him/her home. Please have an alternate plan should your child become ill.

Symptoms of Illness:

- ! Severe pain or discomfort.
- ! Acute diarrhea: 2-3 very loose bowel movements – must be 8 hours symptom free before returning to the Club.
- ! Episodes of acute vomiting: 1-2 episodes – must be 8 hours symptom free before returning to the Club.
- ! Temperature of 100 degrees F – must be 24 hours symptom free without medication before returning to the Club.
- ! Sore throat: scratchy or painful when swallowing.
- ! Productive cough.
- ! Yellow eyes or jaundice skin.
- ! Red eyes with discharge.
- ! Infected, untreated skin patches.
- ! Difficult or rapid breathing.
- ! Skin rashes that last longer than 24 hours.
- ! Swollen joints.
- ! Visibly enlarged lymph nodes.
- ! Stiff neck.
- ! Blood in urine.

Once the child is symptom free, or has a physician's note stating he/she no longer poses a serious health risk to themselves or others, he/she may return to the Boys & Girls Club.

If your child contracts any of the following diseases, please report it to us immediately.

The child **MAY NOT** return to camp without a doctor's note stating that the child presents no risk to himself/herself or others. If your child is exposed to any of the following, a notice will be posted.
